St. Elizabeth Ann Seton
Church Music Ministry

Friends of the Choir

The Friends of the Choir seeks to provide financial, logistical, instrumental and administrative support to the choir.

The Friends of the Choir provide partial scholarships and financial aid to choristers who assist in varying performances for the enrichment of the choir and members of the parish.

The Friends provide funding for a variety of particulars necessary for the continued growth of the choir and musical accompaniment. The Friend's membership roster we hope, will contain many individuals, families and businesses who give of their time and money to support this choral tradition of the church.

Matching Funds

Many companies generously offer matching funds to organizations such as Friends of the Choir.

If you or someone you know works for a company that matches your charitable donations, please consider helping out St. Elizabeth Ann Seton's Friends of the Choir. All donations are used for musical enrichment and accompaniment.

Goal & Wish list

The goal of Friends of the Choir is to raise money to enhance and sustain our liturgies at St. Elizabeth's.

The church would like to purchase various instruments, which could be used weekly for liturgies and especially for special occasions.

We would like to offer educational opportunities for our cantors and choir members to attend the National Association of Pastoral Musicians annual convention., and to offer stipends to college students who participate in the various ensembles.

St. Elizabeth Ann Seton Music Ministry is dedicated to enhancing the worship experience through the multitude of musical styles. From organ, four part vocal harmonies, or a brass ensemble, this ministry strives to express the glory of the Lord through voice and instrument. Our mission is to serve this parish community by providing the best music possible, to enhance our liturgies and give greater glory to God. We seek to provide music that is appropriate for Catholic liturgy, while at the same time engaging the congregation in full and active participation. With God's help, and the prayers of this community, we hope that our ministry will strengthen the faith of all who enter St. Elizabeth's.
